

Office hours

Andres Gonzalez Huertas

All Sections

Hi everyone,

After having looked at the answers of the students that completed the survey, our office hours this semester will be the following:

- Wednesdays 8-9am & 4-5pm (Andrés González)
- Mondays 4-5pm & Tuesdays 8-9am (Samuel Rodriguez)
- Fridays 1-3pm (Alireza Rangrazjeddi)

The Zoom links will be posted shortly in the Modules and the syllabus.

Having optimized the distribution of the office hours, I can guarantee that all students (that completed the survey) are covered by at least one office hour each week, and in average, each student is covered by 4.18 hours per week. Looking forward to seeing you in class and our office hours.

Kind regards,

Andres G.
